

Arise and Shine

(Preschool Song)

Arise and shine with hope.

Raise hands(together)above head, then lower in an arc then clap twice on "hope"

Arise and shine with trust.

Raise hands(together)above head, then lower in an arc then clap twice on "trust"

**With joy and love in Faith above,
We lift our voices up! (2x)**

*Cross arms over chest, then look up
Raise hands above head into an "O" shape (2x)*

And we're singing:

**Oh oh oh oh oh. Oh oh oh oh oh oh.
Oh oh oh oh oh oh. Oh oh oh oh**

Keep hands in "O" shape and sway back and forth as you sing the "Ohs"

**You are (you are)
worthy (worthy).
We give (we give) you all the praise.**

*Stomp right foot once on each syllable (4 times)
Stomp left foot once on each syllable (4 times)
Hold hands out, palms up and bounce on the beat*

**You shine (you shine)
in darkness (in darkness).
Fill us (fill us) with your light we pray.**

*Stomp right foot once on each syllable (4 times)
Stomp left foot once on each syllable (4 times)
Hold hands out, palms up and bounce on the beat*

A-D-V-E-N-T-U-R-E Island

Come on, everybody, let's roll.
Grab your heart; it's time to go
Where the Son shines bright
And the worship flows
With a little bit of rhythm and a whole lotta soul.

Come on, everybody, let's ride
Where the love runs deep and the grace runs wide.
Where the lost get found and the blind can see;
If you're ready for adventure, then come with me to

A-D-V-E-N-T-U-R-E Island!
Come with me to
A-D-V-E-N-T-U-R-E Island!

This ain't a magic place;
Everything's crystal clear.
We see the love of Jesus lighting up the atmosphere.
And his holy spark
Will set our hearts ablaze;
Shine like a city on a hill that cannot be contained! Oh!

A-D-V-E-N-T-U-R-E Island! (4x)

Arise and shine (and shine, shine);
Give God the glory!
Arise and shine (and shine, shine);
Give God the glory!
Arise and shine (and shine, shine);
Give God the glory!
Children of the Lord, we shall arise! (2x)

This ain't a magic place;
Everything's crystal clear.
We see the love of Jesus lighting up the atmosphere.
And his holy spark
Will set our hearts ablaze;
Shine like a city on a hill that cannot be contained!

A-D-V-E-N-T-U-R-E Island! (4x)
