To Whom it May Concern,

Several more of our customers have elected to use our 2021 program, Discovery on Adventure Island VBS than we anticipated this year. As a result, we've run out of much of our physical product. To assist churches, we are providing files for the Discovery on Adventure Island Decorating Mural Complete set at no charge for customers to have printed locally.

Therefore, churches that present these files have the permission of the United Methodist Publishing House aka Cokesbury Kids to have these files printed locally for use in their Vacation Bible School programs.

Sincerely,

A handwritten signature in black ink that reads "S. Spradley". The signature is written in a cursive style with a long, sweeping underline.
